

Shield Double Glazing

At Shield Double Glazing we like to offer you the very best in service and an unparalleled product range. A division of a privately owned business that has been operating in the home improvement market for over 12 years. In that time we have built reputation for service and quality that we believe is second to none. We pride ourselves on all we have achieved in that time and are excited to carry our business philosophy over the uPVC and Aluminium market.

We manufacture our products using Synseal Shield 6, the market leader in PVC products and Smart Aluminium Systems, another market leader in Aluminium products.

We manufacture windows, doors, patios, bespoke conservatories and Bifolds

Our modern factory and stunning showroom is situated in Woodford Green, Essex. This makes us the easily accessible for clients from A406 / A12 / M11 and A13. Our skilled and well trained colleagues manufacture first class bespoke products specific to the individual needs of our clients.

Our representatives are very knowledgeable and are continually briefed on any new developments or technology within the industry. This give us 'the edge' when meeting with and advising clients as we can help them achieve their goals and realize their dreams.
