# Leading manufacturer with years of expertise

At Shield Double Glazing we like to offer you the very best in service and an unparalleled product range. A division of a privately owned business that has been operating in the home improvement market for over 17 years. In that time we have built reputation for service and quality that we believe is second to none. We pride ourselves on all we have achieved in that time and are excited to carry our business philosophy over the uPVC and Aluminium market.

We manufacture our own products, and are a market leader in PVC products and Smart Aluminium Systems, another market leader in Aluminium products.

We manufacture windows, doors, patios, bespoke conservatories and Bi-folds.

Our modern factory and stunning showroom is situated in Woodford Green, Essex. Although we do offer national cover. This makes us the easily accessible for clients from A406 / A12 / M11 and A13. Our skilled and well-trained colleagues manufacture first class bespoke products specific to the individual needs of our clients.

Our representatives are very knowledgeable and are continually briefed on any new developments or technology within the industry. This give us 'the edge' when meeting with and advising clients as we can help them achieve their goals and realize their dreams.:

# Trusted Glazing Specialists

We're owned by landlords, we know the requirements, quality and durability required in this market. Whether that's high end luxury serviced accommodation units or the accessible rental market. Our products are designed to suit you.

We also understand the impact of cost on a project, be it a large development or the good old bread and butter rental. We'll always strive to balance a cost and quality offering for you. Our fitters are fast and reliable, emergency call out, quick response and urgent requests are all something that's part of our day to day business; we'd be only too happy to help.
